

FITNESS FOR SERVICE SCREENING:

STAR of CA is currently following guidance of the **CDC** and we consider your child and family fit to receive services if you all can answer **NO** to each question below:

YES NO

Do you have a cough, shortness of breath or difficulty breathing, fever (100.3 degrees or higher), chills, muscle pain, sore throat, or new loss of taste or smell?

YES NO

Have you come in close contact with a person (live with or have been within 6 ft of for over 15 minutes) diagnosed with COVID-19 in the past 14 days?

YES NO

Have you been diagnosed with COVID-19 or told by a healthcare provider that you may have COVID-19?

If your child or family answered **YES** to any of these questions....

Per CDC guidance, consult with a medical professional if you have COVID-19 symptoms.
